A Little About Me

I'm 6-ft, blonde hair, brown eyes, tan. I go to Austin HS, 11th grade.  
Not real fond of the area. I want to travel

Hobbies and Interests

Soccer, golf, swimming, surfing the internet, meeting new and different  
people in chatrooms.

Favorite Quote

I'll try anything at least once.

## CHAPTER 7 Sample Chat

**Directions: Identify the mistakes these chatters made.**

Queenbee1234: I hate Algebra!!!!

Surferdude14: I sooo sympathize – my math teacher gave me 28 problems for homework.

Melanie13: You guys are so smart, I’m just in regular math.

Surferdude14: Really – what school do you go to?

Melanie13: Brinnett Palms, its in Miami Florida.

Coolio: You are sooo lucky girl, I live in stinking Wisconsin. I never get to sunbathe.

TYlerkid: I live in California – love the waves.

Queenbee1234: I always wanted to visit California – My mom and sisters think I’m stupid since I live near the water anyway.

TYlerkid: Yeah, you haven’t lived until you’ve tried surfing. Send me your emails and I’ll send you a neat picture of me on this ten foot wave I caught one day.

Coolio: awesome – mine is [coolio@aol.com](mailto:coolio@aol.com)

Queenbee1234: Ok – [queenbeeinsavannah@earthlink.net](mailto:queenbeeinsavannah@earthlink.net)

Melanie13: I don’t have my own – only my parents. My dad likes to “supervise” what we receive. But hey – you can mail it to me – I’m at 515 Palm Ave Miami, FL 21212

Surferdude14: Hey TYlerkid, I’d really like to talk to you, I’m planning to come out that way with my parents. Maybe I could call you and get some ideas. I don’t want to be stuck with my parents the whole time!

TYlerkid: No prob man – it’s 818-555-1941

Coolio: I would kill to go over there. My birthday is next week, maybe if I beg and plead my parents would agree to a little vacation.

Melanie13: You are sooo lucky. I have to wait another three months for my birthday. It’s like everyone else I know is older then me – I’m a young 8th grader.

Queenbee1234: Well I have the opposite problem – I should be in 9<sup>th</sup> grade but I got held back in 1<sup>st</sup> grade.

TYlerkid: Hey Queenbee – what is your real name. You and coolio have these funky screen names.

Queenbee1234: My mom helped me pick it – she didn’t want people to be able to tell much about me. My name’s really plain – Sara. Yeah – Plain Sara from dull Hemingford ☺

Coolio: Nah – I’m not telling mine. I like my screen name much better. I mean have you ever heard a good guys name that started with an H?

Melanie13: An H? Hmmm – Hank? Harvie?

Coolio: Nope – not even close! And you can stop there – I’m not telling.
